In follow-up to briefings, I am providing updates on Dimock, PA. Also, attached are the current cost estimates associated with water, investigation and extramural funds at Dimock.

Sampling results from week 3 of sampling in Dimock have been posted  
to:<https://www.epaos.org/sites/7555/files/Dimock%20W1,2,3%20-HW45%20Compuation%20Report.pdf>

There were 17 homes sampled during that week, but only 16 data packages were posted today (for a total of 47), as we were unable to reach one of the residents to deliver their information. We'll provide that with the next group of data.

**Cost estimate:**
